November 1, 2017

Dear Arabian Acres Metro District,

Effective December 1, 2017, we will be outsourcing the water billing to American Conservation and Billing (AmCoBi), in Colorado Springs. Your bill will be sent from (AmCoBi) and all payments must be made directly to them.

Any payments sent after December 1, 2017 to our District Manager, Metropolitan District Management (23005 Whispering Woods, Golden, CO), or to the previous Key Bank address will not be credited to your account and could incur a \$15 late fee.

Continue to make out your checks/payments to "Arabian Acres Metro District". The new address for sending payments as of December 1, 2017 is:

**Arabian Acres Metro District
c/o AmCoBi
PO Box 51280
Colorado Springs, CO 80949-1280**

You may also pay online at: **Pay.AmCoBi.com**

A benefit to this transition is that when you pay online through the AmCoBi website, there will no longer be a \$1.00 charge for an e-check payment. The fee for paying with a debit or credit card will remain the same as it was with the State of Colorado payment portal. Another benefit is that you will be able to log in and view your previous and current usage and invoices.

Any calls or questions regarding your water invoice going forward must be made to American Conservation and Billing at: **1-877-410-0167 x 2.**

Thank you,

Arabian Acres Board of Directors
